

# Levels of GSA/QSA Organizing

QSAs Save Lives!

1

QSA is a mostly a hang out space, coordinated by an adult. At this level, the QSA can provide much needed support to youth in need and promote friendship and bonding.

No QSA

2

QSA is mostly a hang-out space, but youth leaders take initiative to coordinate meeting times and publicity. This QSA provides support, and since there are youth leaders, there is potential for more.

3

In addition to regular chillaxin, youth leaders also organize some QSA activities such as workshops, movies, games, etc, for members of the QSA.

4

QSA youth leaders and members work together to take on some school-wide projects and initiatives. Ex: voter registration drive, ally pledge drive, teacher trainings, socials with other school clubs, etc.

5

QSA organizes large-scale projects with youth in other schools. Ex: statewide rally to pass anti-bullying legislation, queer prom, etc.
