Dear Allies,

It has been a joy to work with this year's fantastic youth board, and everyone else who is involved with this incredible movement of LGBTIQA (lesbian, gay, bisexual, transgender, intersex, queer, questioning, or anything else) youth, either as participants or allies. It would not exist without the support of dozens of teachers, administrators, school counselors, individual donors, supportive parents, adult volunteers, local businesses, and most importantly, the youth themselves. They (you) are a profound demonstration of what it means to be self-expressed and non-judgmental. I'm honored to get to be a part of that journey.

We are so glad you are able to join us this evening, as we present awards to all the people on these pages. They (you!) are changing the world. North Carolina's legislators don't know what they've got coming.

Thank you for your continued support!
